Additional pie order forms are available at [www.WPCBuffalo.com/Maine](http://www.WPCBuffalo.com/Maine)

Each summer, the Senior Highs travel to Hartford, Maine where they work on projects for those who are in need of help and outreach. Projects such as interior reconstruction, siding and painting houses, installing windows or doors and splitting firewood to stock a local "firewood bank" to serve the poor and elderly through the Maine winter. Senior Highs also get to enjoy some New England highlights – lobster dinner, a trip to Fort Popham, the Popham Beach State Park and Freeport, Maine.

**Apple Pie Sale:** Senior Highs bake and sell more than 150 pies each November just in time for Thanksgiving. Proceeds are sent directly to Maine to buy project supplies for the following summer.

**Maine "Shares":** Senior Highs invite friends and family to become "shareholders" in their trip. Members who purchase "shares" receive a handwritten postcard update during our work week in Maine.

**Allentown Art Festival Parking:** Our church is located just a block away from one of the region's biggest outdoor art festival -Allentown Art Festival. During the festival each June, the Senior Highs sell parking spaces in our church lot to festival-goers to raise additional funds for the Maine trip.
